

# INVENTORY FINANCE

## Why choose inventory finance?

Inventory is the lifeblood of any business that is not service based. It keeps your business going and makes customers happy.

Our inventory finance can provide SME's with a viable solution to their cashflow and stock needs.

Empowering you to pay your suppliers upfront

## Inventory Finance

Inventory Finance is a funding solution that allows businesses to release the working capital tied up in stock, by borrowing against the value of the stock owned by them.

By ensuring consistent cash flow, it empowers companies to take calculated risks and seize new opportunities for growth.

Our Inventory finance is designed to bridge the funding gap that many businesses face and works perfectly with our invoice finance facilities to provide robust cash flow for our clients.

Inventory finance can provide SME's with a viable solution to their cashflow and stock needs.
