

# PURCHASE FINANCE

## Why choose Purchase finance?

Waiting for clients to pay so you can pay your suppliers is a juggle.

Our purchase finance solution helps you to balance those competing needs – satisfying both your suppliers' needs with those of your own business

Empowering you to pay your suppliers upfront

## Purchase Finance

A common problem for businesses is that when they receive a potentially lucrative sales order, they often realise they do not have the cash resources to pay for the necessary product to fulfil that potentially valuable order.

Particularly when you have multiple orders on the table.

A purchase finance facility from Regency Factors goes hand in hand with our invoice finance or inventory finance facility.

We provide access to the cash you need to fulfil the next large purchase order than comes in.
