

SUPPLY CHAIN FINANCE

Why choose Supply Chain finance?

Our supply chain finance consolidates our unique finance products into a single comprehensive platform, optimising your business cashflow.

Our supply chain finance can seamlessly iron out any possible disruptions, bolstering your cashflow in the process.

Supply Chain Finance

Supply chain finance from Regency runs like clockwork. We understand that a robust supply chain is key to the success of any business operation.

We provide a seamless transition from purchase finance to inventory finance ensuring funds are available at every stage of the supply chain.

Initially, our product/supply chain finance facility steps in to fund the purchase of the raw materials or products from your supplier, eliminating any potential hiccups in your supply chain.

Production goes uninterrupted and business continuity is maintained.
